Mr. John Seymour Photostat Corporation 1001 Jefferson Road Rochester, New York

Dear John:

In talking with the R.A.U.N. the other day, I learned that we should make arrangements, as soon as possible, to firm up someone from that organization for our opening ceremony. Bernice Connerton suggested that we go to one of two persons.

- 1. Sol M. Linowitz, Chairman of the Board at Xerox, who is also Upstate New York President of the American Association for the United Nations. We should use him if we are looking for a representative of the U.N. --- and I think this may be what we do want; someone to present our souvenir folders.
- 2. William Kern, President Rochester Telephone Corporation, whose offices are at Midtown. This person we should use if we are looking for a representative of the local R.A.U.N. as he is chairman of the board. It is suggested that Mark Hargrave, President, not necessarily be approached as he is out of town until just prior to our affair and we probably could not get a definite commitment from him at this time. If you use Mr. Kern some member of the R.P.A. will have to make the presentation, and then present him with a souvenir folder. If you decide on him you should write him a letter and at the same time call his secretary, Mrs. Haley, -- top private secretary (you may have to go through two of them first) -- and tell her how much you desire having her boss take part in this program.

Enclosed also are copies of two releases which we would like to have 200 copies of each.

We probably will see you Thursday night.

Regards,

Gordon C. Morison

25 April 1963

Dear Mr. Morison:

FILE NO .:

Following our telephone conversation of this afternoon, I investigated the dispatch of the 1,000 sets of cancelled covers in accordance with your request. I determined that in order to have even the remotest possibility of the sets arriving on time, the package would have to be sent by air parcel post.

I consider that the cost of this service is prohibitive (in excess of \$30.00), so that I feel it is best to resort to the alternative method that we discussed, namely, for you to accept orders and we shall furnish the covers after your Exhibition is ended.

I very much regret this course of action, and trust you find yourself in agreement with our decision.

Yours sincerely

Rochaster, New York

Dear Mr. Hargrave:

We appreciated your assistance in our opening program for the golden enniversary stamp show and the sid given us by the NAUN and Mrs. Connerton in making this event a bruly international one.

The success of the U.N. post office, as you probably know, was so overwhelming we had to telephone New York twice for additional shipments of stamps and postal stationery. I'm sure that if we had had more at the beginning we would have been able to sell even more of these items; nevertheless, only a small quantity is being returned.

We also appreciated the loan of the U.M. flags, assistance on manning the U.M. post office, and other general help. Many thanks.

Sincerely yours,

Gordon C. Morison General Chairman 120 Klink Road Rochaster 25, N.Y.

Mr. A. Stermen Deputy to the Chief U.M. Postel Administration United Nations, New York

Dear Mr. Sterman:

By now you should have in your hands our check and returned stamps and postal stationery. The shipment left Rochester via Railway Lagress, Number 10778, on May 14, addressed to your attention. It contained five cartons.

We certainly no recisted your cooperation with our show, and the promptness with which you dispatched the extra stemp raiserents. To limited sales on Friday afternoon, but still were out of some items early Saturday until the new order arrived. As it tuesed out, Friday and Saturday were the big days, and Sunday slackened at the U.H. post office. On the other hand, activity at the U.H. most office quickened on Sunday-perhaps people sceking U.H. stamps for mailing souvenirs.

You probably will see reports in the stamp papers on the show. The attendance was large with Midtown Flasa officials estimating it at about 15,000 in all; I think this may be seen hat high. In any case, though, it was busy all seckend with many viewing the 750 exhibition frames shown.

The Rochester Association for the United Bations gave us some help, but we were not at all impaged for the enslaught when we opened on Friday, April 26. It had thought this would be a slow day with bulk of the activity on Saturday and Sunday, but the line formed early at the U.N. post office and suddenly, as you heard by the telephone, we know the attendance was "out of hand." But I guess that's a nice problem to have.

Again many thanks.

Sincerely yours,

Gordon C. Morison General Chairman 120 Klink Road
